Rationale for Proposed Boundary Changes: The Columbia Heights EC boundary is made up of the proposed boundaries of the elementary schools designated to feed geographically into Columbia Heights.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundaries for Tubman ES or H.D. Cooke ES is zoned for and have a right to attend Columbia Heights EC and Cardozo HS. Any student attending a feeder elementary school out-of-boundary has the right to continue in the feeder pattern to Columbia Heights EC. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): Columbia Heights EC has a dual-language program. Eighth grade students at Columbia Heights EC will have a right to attend the dual-language program at Roosevelt HS.
