**Rationale for Proposed Boundary Changes:** Bancroft absorbs some of HD Cooke’s attendance zone on the north. The Cooke zone expands at the northeast to help relieve pressure at Tubman. Excess capacity and low boundary participation rate makes these changes feasible.

**Proposed Geographic Destination Feeder Schools (Feeder Pathway):** Anyone living in the proposed new boundary for H.D. Cooke ES is zoned for and has a right to attend Columbia Heights MS and Cardozo HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Columbia Heights. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

**Proposed Programmatic Destination School (Feeder Pathway):** No programmatic feeder pattern proposed.
