**Rationale for Proposed Boundary Changes:** Kimball is approaching capacity, but still has some space. Kimball’s attendance zone absorbs some of Plummer’s zone at the east. Randle Highlands absorbs some of the boundary on the south.

**Proposed Geographic Destination Feeder Schools (Feeder Pathway):** Anyone living in the proposed new boundary for Kimball ES is zoned for and has a right to attend Sousa MS and Anacostia HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Sousa. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

**Proposed Programmatic Destination School (Feeder Pathway):** No programmatic feeder pattern proposed.
