Initial Decision Factors	Proposed Boundary Changes
Crowding due to high in-boundary participation and child population growth. Some capacity expected with expansion of Hearst, Janney, Mann, Hyde-Addison.	Shrink Key, Janney and Murch boundaries. Expand Eaton, Hearst and Mann and Hyde-Addison boundaries.
Natural and transportation barriers constrain Lafayette boundaries: Rock Creek Park, Military Rd. and Conn. Ave.	Retain Lafayette boundary
	Expand Hearst north to relieve crowding at Murch
Concerns for walkability; check additional walk lights at intervals.	Expand Mann boundary over Mass. Ave.
Concerns for walkability.	Expand Hyde-Addison boundary west to relieve crowding at Key.
