Rationale for Proposed Boundary Changes: The McKinley Tech MS boundary is made up of the proposed boundaries of the elementary schools designated to feed geographically into McKinley.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed boundaries for Wheatley ES or Langley ES is zoned for and has a right to attend McKinley Tech MS and Dunbar HS. Any student attending a feeder elementary school out-of-boundary has the right to continue in the feeder pattern to McKinley MS. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): McKinley MS is a STEM middle school. Eighth grade students at McKinley MS will have a right to attend Woodson HS in order to continue in a STEM pathway.
