**Rationale for Proposed Boundary Changes:** Walker-Jones' attendance zone extends a few blocks to the north absorbing part of the former Montgomery and JF Cooke zones. Walker-Jones is currently under capacity and can support this expansion.

**Proposed Geographic Destination Feeder Schools (Feeder Pathway):** Anyone living in the proposed new boundary for Walker-Jones EC is zoned for and have a right to attend Dunbar HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Dunbar. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

**Proposed Programmatic Destination School (Feeder Pathway):** No programmatic feeder pattern proposed.
