# **DC Student Assignment and School Boundary Review Process**

## **BREAK OUT GROUP Dunbar Feeder Pathway**

June 2014

---

# Agenda

---

- Summary of how key recommendations impact your community
  - Geographic boundaries and feeders, including openings/closing and transportation issues
  - Phasing in
  - Expansion of early childhood rights, at risk preference, OOB set asides
  - Better planning within and across sectors
- We need your feedback – discussion and worksheets, survey

# What is being proposed to change in the geographic boundaries?

---

- Dunbar's boundary proposed to shift from center of the city to mainly Ward 5 to coincide with Brookland MS and McKinley Tech Ed Campus
  - Loses Mount Vernon Square and portions of Capitol Hill
  - Adds NoMa, Brookland, Edgewood, and Fort Lincoln
- Most education campuses proposed to convert to elementary schools
- The opening of Brookland MS
- Many of the impacted families currently have multiple rights, the proposal would reduce rights to one ES, one MS, and one HS per residence
- Elementary school boundaries changed to accommodate school closures, population changes, over-capacity schools and transportation and walkability

# WORKSHEET QUESTION

---

What suggestions do you have for the proposed boundary and feeder pathway revisions in your specific neighborhood and generally?

What particular neighborhoods have transportation challenges due to their geographic isolation or lack of good public transit options?

# Phasing In:

## How does this impact your family?

---

- No student will be asked to leave their current in-boundary school if their zone changes
  - Siblings maintain the right to attend the school, as long as they have a sibling currently enrolled
- Students in 3<sup>rd</sup> – 5<sup>th</sup> grades (as of SY14-15) can continue on in their existing feeder pattern
- Students in 6<sup>th</sup>-8<sup>th</sup> grades (as of SY14-15) can continue on in their existing feeder pattern
- Students zoned to a new middle school can maintain their current rights to middle school based on their home address until the new school is open

# WORKSHEET QUESTION

---

What suggestions do you have for the proposed phase-in policies?

# Implication of Key Policy Recommendations: PK Access

---

- Guarantee access to PK3 and PK4 for families in zone for Title 1 schools

All elementary schools in the Dunbar feeder pathway are designated as Title I

## Recommendations: At-Risk Preference

---

- Preference in lottery for at-risk families
  - The at-risk measures applies to students who are either:
    - Homeless, in the District's foster care system (CSFA), qualify for Temporary Assistance for Needy Families (TANF) or Supplemental Nutrition Assistance Program (SNAP) or high school students that are one year older, or more, than the expected age for the grade in which the students are enrolled.

# Implication of Key Policy Recommendations: At-Risk Preference

---

- Preference in lottery for at-risk families

# Implication of Key Policy

## Recommendations: OOB Set-Asides

---

- Out-of-boundary set-aside minimum for students that do not have feeder rights
  - 10% at elementary schools
  - 10% at 6<sup>th</sup> grade
  - 10% at 9<sup>th</sup> grade

# WORKSHEET QUESTION

---

Do you like the proposed policies increasing access for out-of-boundary and at-risk populations? What would you change?

# Implication of Key Policy

## Recommendations: Better Planning

---

- Parity in programming across DCPS feeder pathways
- Reduce students switching schools mid year between and within DCPS and public charter schools. Key areas to explore include:
  - Alignment of grade configurations across sectors
  - Alignment of discipline and expulsion policies across sectors
