#GetCountedDC 2020census.gov

## It's not too late.

You still have time to respond to the census,  
and it's never been easier.

You can get counted online, over the phone or by mail –  
all without having to meet someone in person.

**All you need is your address to respond.**

Remember, emergency funding received to support COVID-19  
operations is directly tied to Census.

**Thank you for getting counted, DC.**
