

# STUDENTS IN THE CARE OF D.C. COORDINATING COMMITTEE

## COMMUNITY MEMBER APPOINTMENTS

**WHO WE ARE:** The Students in the Care of the District of Columbia Coordinating Committee (SCDC) supports Mayor Muriel Bowser's and the D.C. Council's commitment to serve District of Columbia students who are child welfare and justice system involved. We work to create a world where every student who comes into contact with the child welfare, juvenile justice and criminal justice system receives high quality educational and workforce development services and supports that:

**ADDRESSES THEIR NEEDS.**

**BUILDS ON THEIR STRENGTHS.**

**EMPOWERS THEM TO SUCCEED.**

The SCDC is seeking community member appointments to ensure that our work is informed and enriched by the **expertise of those with lived experience** and those who work directly with students in the District's care. We are seeking to include students who have come into contact with the child welfare and justice systems, their parents and families, and community stakeholders who touch the lives of students who are system-involved.

### OPEN COMMUNITY MEMBER APPOINTMENTS INCLUDE:

- Current or former student involved in the juvenile or criminal justice system
- Current or former student involved in the child welfare system
- Education Attorney representing students in the care of D.C. involved in the juvenile or criminal justice system
- One representative each from 2 charter school local education agencies

**Interested individuals will need to provide a resume, brief bio, and complete an online application [here](#).**

***Do you have questions about the work of the SCDC or need additional support to complete an application?***
