Rationale for Proposed Boundary Changes: The Cardozo HS boundary is made up of the proposed boundaries of the middle schools that are designated to feed geographically into Cardozo.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundaries for New Center City MS, Columbia Heights EC (6-8), or Francis-Stevens EC is zoned for and has a right to attend Cardozo High School. Any student attending a feeder middle school out-of-boundary has the right to continue in the feeder pattern to Cardozo. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
