Rationale for Proposed Boundary Changes: The Deal MS boundary is made up of the proposed boundaries of the elementary schools designated to feed geographically into Deal.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundaries for Bancroft ES, Janney ES, Lafayette ES, Shepherd ES, Hearst ES, or Murch ES is zoned for and have a right to attend Deal MS and Wilson HS. Any student attending a feeder elementary school out-of-boundary has the right to continue in the feeder pattern to Deal. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
