Rationale for Proposed Boundary Changes: Hendley’s attendance zone expands at all sides to absorb parts of former Draper, most of former Ferebee-Hope and parts of former P.R. Harris zones. Hendley is currently over capacity. Expansion reflects areas that already had current rights to Hendley with a few blocks now having rights to Simon.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Hendley ES is zoned for and has a right to attend Hart MS and Ballou HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Hart. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
