Rationale for Proposed Boundary Changes: No significant change is proposed for Leckie’s attendance zone. Ketcham absorbs one block to the north.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Leckie ES is zoned for and has a right to attend Hart MS and Ballou HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Hart. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
