**Rationale for Proposed Boundary Changes:** Malcolm X’s attendance zone extends to the southeast and southwest to relieve pressure from Turner and help absorb the former MC Terrell and former Green zones. Malcolm X is currently in swing space at nearby Green Elementary (closed).

**Proposed Geographic Destination Feeder Schools (Feeder Pathway):** Anyone living in the proposed new boundary for Malcolm X ES is zoned for and has a right to attend Johnson MS and Ballou HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Johnson. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

**Proposed Programmatic Destination School (Feeder Pathway):** No programmatic feeder pattern proposed.
