

Agenda
Student Assignment Advisory Committee
June 24, 2014

Chancellor's video message

Review summary of feedback from June Community Meetings

Review and discuss elements of June Proposal that may need revision

- Areas of confusion/need for more clarity
- Areas of policy concern
- Concerns about phasing in implementation
- Specific feeder pattern and boundary issues
- Planning and cross sector concerns

Timeline for additional public input

Worksheets and other feedback accepted until July 21

Council hearing on June 26

Additional community meetings

Review process for revision

What happens between now and August committee meeting?
