Rationale for Proposed Boundary Changes: The New North MS boundary is made up of the proposed boundaries of the elementary schools designated to feed geographically into the New North MS.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed boundaries for Brightwood ES, Takoma ES, Whittier ES, or LaSalle-Backus ES is zoned for and has a right to attend the New North MS and Coolidge HS. Any student attending a feeder elementary school out-of-boundary has the right to continue in the feeder pattern to the New North MS. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
