PROPOSED MODEL FOR COORDINATED DC SCHOOL PLANNING

(UPDATED JAN. 2018)

Coordination of each sector's process for creating new schools or programs and accelerating school improvement. Each sector will consider gaps identified through the CSAPE and incorporate community and stakeholder input when soliciting proposals and identifying targeted school supports and interventions.

OBJECTIVE 1: ESTABLISH A COORDINATED DC EDUCATION PLANNING CYCLE.

Specific Recommendations	Policy and Implementation Considerations
<p>1.1: Create and adopt a model cycle for coordinated educational planning that incorporates common lottery and school report cards, use of common data and analyses, and coordinated processes for school and program development and improvement.</p> <p>1.2: Commit to coordinating and sharing information between and among leaders of DME, OSSE, DCPS, and PCSB.</p> <p>1.3: Ensure that a coordinated cycle includes regular and predictable opportunities for public input and engagement.</p>	<p>1.1.1: Ensure that any model cycle is consistent with the current governance structure and considers the independence and autonomy of both traditional and charter schools.</p> <p>1.1.2: A model cycle should include, at a minimum, the following:</p> <ul style="list-style-type: none"> • Common lottery and application process • School report cards • Common data and information • Mechanism to coordinated development and improvement processes, including approvals of new schools and programs <p>1.1.3: Ensure that any model cycle is consistent with OSSE’s implementation of ESSA accountability requirements.</p> <p>1.1.4: Ensure that any model cycle clearly defines the roles of each relevant agency, including DME, OSSE, DCPS, and PCSB.</p> <p>1.1.5: Research and adopt effective approaches from other jurisdictions that use common information to inform cross-sector planning decisions, as appropriate.</p> <p>1.1.6: Consider whether to expand the common application process through My School DC to include in-boundary applications (LEAs continue to opt in).</p> <p>1.2.1: Develop a formal agreement among education policymakers to meet regularly and consider planning questions.</p>

OBJECTIVE 2: ENSURE THAT PLANNING DECISIONS ARE INFORMED BY COMMON DATA AND INFORMATION.

Specific Recommendations	Policy and Implementation Considerations
<p>2.1: Develop common set of data and analyses that look at gaps and needs in public education on citywide and neighborhood levels.</p> <p>2.2: Commit to incorporating citywide strategic analysis in school planning by DCPS, PCSB, DME, and OSSE, and discuss citywide implications together.</p> <p>2.3: Ensure regular and predictable opportunities for public input and engagement during the development of a common set of data and analyses.</p>	<p>2.1.1: DME, working collaboratively with DCPS, PCSB, and OSSE, will prepare and disseminate the citywide strategic analysis.</p> <p>2.1.2: The strategic analysis should include, at a minimum, data on and analyses of student demographics, schools and facilities, academic performance, student demand, enrollment transitions, and neighborhood factors.</p> <p>2.2.1: Develop a formal agreement among education policymakers to meet regularly and consider planning questions.</p> <p>2.3.1: Create an interactive format to allow for information to be useful to a wide variety of stakeholders.</p>

OBJECTIVE 3: ALIGN PLANNING TIMELINES AND COMMUNITY ENGAGEMENT EXPECTATIONS ACROSS SECTORS.

Specific Recommendations	Policy and Implementation Considerations
<p>3.1: Establish and make public a master timeline that includes significant dates for each sector’s planning process.</p> <p>3.2: Develop concurrent application and approval windows for new or expanded programs and schools with DCPS and PCSB.</p> <p>3.3: Ensure regular and predictable opportunities for public input and engagement during the development of the master timeline.</p>	<p>3.1.1: Establish a working group of DCPS, PCSB, and DME representatives to make recommendations for a master cross-sector timeline.</p> <p>3.3.1: Explore the development and adoption of a citywide guide to gathering community input for new or expanded programs and schools.</p>
