Rationale for Proposed Boundary Changes: No changes are proposed for Orr’s attendance zone. Orr is slightly over capacity. However modernization and expansion are planned for 2015-17.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Orr ES is zoned for and has a right to attend Kramer MS and Anacostia HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Kramer. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
