Rationale for Proposed Boundary Changes: The Wilson HS boundary is made up of the proposed boundaries of the middle schools that are designated to feed geographically into Wilson.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundaries for Deal MS, Hardy MS, or Oyster-Adams EC is zoned for and has a right to attend Wilson High School. Any student attending a feeder middle school out-of-boundary has the right to continue in the feeder pattern to Wilson. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
