

- **Discuss the goals and approaches of your assigned cities.**
 - **Identify and prioritize potential goals for DC's student-assignment policy, using principles discussed in early meetings and focus group input.**
 - **Brainstorm potential approaches that you think would help achieve those goals.**
 - **Report back. Share top 3 goals and just one approach or element of an approach that you think we should explore.**
-

Priority GOALS	Elements of a Student Assignment Approach	Comments/Issues
